LUCKY BOOK CLUB

Orders back by Friday 3rd November

PARENT INFORMATION / CONSULTATION EVENING

It is important that parents know what is happening in their children's classrooms. It is also important that the school understands what parents regard as important.

On **Thursday October 26 from 5pm to 7pm**, we shall be having a get together for parents to hear brief rundowns from teachers on how they are helping students to reach their full potential. This will be followed by informal opportunities for parents to feedback their ideas on the direction Brunswick School should be heading.

Your views and ideas will be gathered together and used by the Board of Trustees as part of the process of reviewing the school mission statement and charter.

There will be some food laid on and many of the children will be involved in demonstrations or entertainment.

We look forward to seeing you there. It will not run late as students will need to be ready for more learning on the following morning.

Please check the newsletter and Facebook for further details.

Please RSVP for catering purposes by tomorrow 9am

PTA NEWS

Dear All,

I have a few things to raise in today's newsletter,

I hope you can spare approx 1 minute to read this and contemplate how you can help or respond.

1, The **CHEST FREEZER** in the staffroom has finally given up the ghost, meaning that the PTA now have limited freezer space at school. Does anyone have a small (working) freezer they could donate to the school - or do you know someone who has one spare to donate?? Thank you.

2, **RURAL DAY** is fast approaching and we hope that your lamb calling, calf rearing and dog/chicken/goat/snail training is all in hand and running smoothly.

We will be putting up a list of jobs and the usual donations for rural day, (SEE SEPARATE SHEET) and if you can help on the day or donate slice etc it would be most appreciated.

3, You may not have seen it but we have a brand **NEW STOVE** in the staffroom- Whoopee!!.

The PTA were having trouble using the previous (very old) stove, plus it was rather temperamental temperature wise for the teachers to use with the students, so the PTA have used hard earned, fundraised money and bought a beautiful shiny new

freestanding stove for all to use. It has a double oven so that more children can use it at once (whole class cooking). Go and have a look at it, we are like proud parents!

4, The **ECO CATALOGUE** order has now finished and we have raised \$172.80 in profit for the school.

What did you think of the eco products in terms of quality? Was the order time too short or too long (we gave 4 weeks for you to think about the items)?

Did you like the choice of items?

What did you think about the price of the items?

Would you order again next time we run this fundraiser?

Would you show the order form to outside school friends/family and work colleagues now you have seen the ease of ordering and delivery to school?

Personally, I particularly liked running this fundraiser as it wasn't a sugar based initiative and it fits with our school as being environmentally aware. I can tell you from personal experience the pegs are great - really sturdy and our Kai Carriers have been used for snacks and sarnies already.

Any feedback you have about the products or the ordering process will be accepted and looked over. Either email through your thoughts and answers to Judi in the office, or come and chat to me in the playground after school.

FINALLY, a massive thank you to the Quigley family and Murphy Perkins for chopping back the bushes at the entrance to the school carpark. This has made the entrance a lot safer for motorists exiting the area. Awesome job - Thank you.

We will be putting out another Sileni Wine order sheet next week – so look out for that!

Thanks again for reading this and I hope you had a wonderful labour weekend.

PTA Chair.
