HOLIDAY MISCHIEF

During the holidays there has been some mischief damage in our orchard. Fruit has been picked and thrown around.

The gardens have had vegetables and seedlings taken and this is very disappointing as they were to be the start of a stall for pet day.

Please let us know if you are local and have seen, or heard of anyone interfering with school property.

Thank you – Jan Clark.

NO HEATED LUNCHES THIS TERM

Reminder that there are NO lunches heated in the pie warmer this term.

PARENT INFORMATION / CONSULTATION EVENING

It is important that parents know what is happening in their children's classrooms. It is also important that the school understands what parents regard as important.

On **Thursday October 26 from 5pm to 7pm**, we shall be having a get together for parents to hear brief rundowns from teachers on how they are helping students to reach their full potential. This will be followed by informal opportunities for parents to feedback their ideas on the direction Brunswick School should be heading.

Your views and ideas will be gathered together and used by the Board of Trustees as part of the process of reviewing the school mission statement and charter.

There will be some food laid on and many of the children will be involved in demonstrations or entertainment.

We look forward to seeing you there. It will not run late as students will need to be ready for more learning on the following morning.

Please check the newsletter and Facebook for further details.
